

LA CIARLIANA

Donna Claudia Rosè Toscana i.g.t. 2020

Annata	2020
Production area	Loc. La Ciarliana – Montepulciano
Altitude	250 meters above the sea level
Grape blend	Sangiovese
Harvest	Hand- harvested in small boxes – Last days of September
Vinificazione	Whole bunch direct pressing, sedimentation and fermentation at a controlled temperature
Ageing and refining	6 months on fine lees in stainless steel tanks
Food pairing	This wine, due to its enchanting floral, citrus and fruity aromas, thanks to its good acidity and nice body, is a perfect Aperitivo. It gorgeously pairs with pasta and fresh cheese, but we like it especially with a Chianina tartare and with raw seafood. Claudia is my mother’s name. I dedicated this wine to her.
